

# MANU Lodge Grischuna in Filisur

**MANU graubündenPASS  
1st class inclusive**

Welcome to the **MANU Lodge Grischuna** Filisur! Enjoy MANU mountain holidays in this special house close to the railway station of Filisur. Experience the fascination of the Rhaetian Railway – the view from your room or balcony or from the terrace or the Panorama Restaurant. A particular enjoyment is the comfortable ride on the world-famous narrow-gauge railway: Because **guests of the MANU Lodge Grischuna Filisur receive the MANU graubündenPASS for the 1st class.**

The Hotel Grischuna, steeped in history and very popular with railway enthusiasts, will become the first MANU Lodge in Switzerland from May 2024. With only 16 rooms, the small mountain hotel is perfectly suited for MANU guests who want to discover and enjoy Graubünden mainly by Rhaetian Railway.

Filisur, with its „picture-book railway station“, is the heart of the new Landwasserwelt with numerous other attractions. The village of Filisur and the neighbouring village of Bergün are known for their historic houses in the Engadine style, with oriel, decorated windows and elaborate sgraffito. The railway village of Filisur is also the starting point for numerous beautiful hikes along the railway lines in the Albula and Landwasser valleys.
